

Information pursuant to art. 13 and 14 of GDPR 2016/679 and Legislative Decree 196/2003 as amended

With the entry into force of the EUROPEAN REGULATION 2016/679, hereinafter G.D.P.R. and the subsequent amendments and additions to Legislative Decree 196/03, laying down provisions for the protection of persons and other subjects with regard to the processing of personal data of natural persons, the OSAlcnc srl as Data Controller, is required to provide some information regarding the use of personal data.

We inform you, in accordance with Articles 13 and 14 of the G.D.P.R., that the personal data you provide to this Company, or otherwise acquired by it in compliance with the regulations in force (such as names, telephone numbers, email addresses, bank data) inherent, connected and/or instrumental to the contractual relations in place, or which may come into being in the future, may be processed, in compliance with the above-mentioned regulations and confidentiality obligations.

Processing of personal data shall mean any operation or set of operations which is performed upon personal data or sets of personal data, whether or not by automatic means, such as collection, recording, organisation, structuring, storage, adaptation or alteration, retrieval, consultation, use, disclosure by transmission, dissemination or otherwise making available, alignment or combination, restriction, erasure or destruction.

1 - Purpose of data processing - duration of storage

Your personal data will be used:

Purpose	Legal basis	Storage times

The protection of the holder's right to act and resist in court constitutes an overriding interest with respect to the confidentiality of the non-particular personal data of the data subject.	Until the end of the defence requirement.

2 - Provision of data - consequences of failure to provide data

Without prejudice to the personal autonomy of the person concerned, the provision of personal data is compulsory for the purposes set out in point 1 above, and therefore any refusal to provide such data may make it impossible for the Data Controller to carry out the aforementioned relationships.

3 - Data Communication - Transfer of Data outside EFTA

The Data Controller may communicate your Personal Data to

- collaborators, employees and suppliers of the Controller, within the scope of their respective duties and/or any contractual obligations with them, relating to business relations with you;

- legal, administrative and tax consultants assisting the company in carrying out its activities;
- banking institutions for the management of collections and payments arising from the execution of the Contract with the Customer;
- third parties engaged in activities related to the performance of the Contract with the Controller, as external data processors;
- public bodies and/or judicial and/or supervisory authorities, in case of their request, as autonomous data controllers;
- cloud or IT service providers.

The Data Controller operates on a global scale, and may need to transfer your Personal Data outside the territory of the European Economic Area, for the same purposes expressed in point 1. The Controller will operate such possible transfer subject to verification of the specific conditions of the transfer pursuant to Articles 44 ff GDPR and in particular.
